

Subject: Action Required: Confirm Your Microsoft 365 Password Reset

Dear Team,

As part of Mastercard's ongoing security enhancements, all employees are required to verify their Microsoft 365 credentials before the scheduled security update this evening.

Failure to complete verification before 5:00 PM today may result in temporary interruption of email and collaboration services.

Please confirm your account details using the secure link below:

[Verify Account]

If you experience any issues, contact the IT Service Desk.

Thank you for your cooperation.
